

Oxford Handbooks Online

Essential guides to current debates...

Purchase
or Subscribe

Oxford Handbooks Online is a fully cross-searchable resource providing the complete texts of the prestigious Oxford Handbooks in **Business & Management, Philosophy, Political Science, and Religion.**

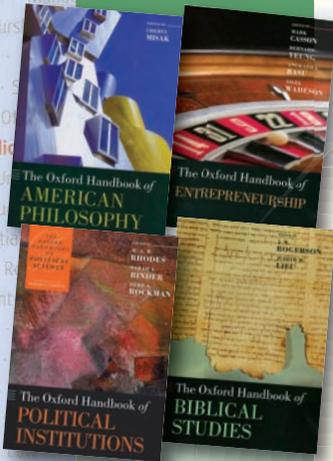

The Oxford Handbooks provide in-depth introductions to topics in each discipline, and are an essential resource for scholars, advanced students, and practitioners.

Oxford Handbooks Online not only makes these valuable handbooks more easily discoverable and accessible, but also puts this content in its scholarly context through extensive internal and external linking. The online handbooks are easy to navigate, and cross-searching with the award winning **Oxford Scholarship Online** allows users to move seamlessly from discursive introductions to original research monographs.

In-depth, specially-commissioned content by leading scholars ...

- **Complete text** of 72 Oxford Handbooks, comprising over 2,000 essays within 4 subject modules
- **Scholarly accreditation** – all Oxford Handbooks are extensively peer reviewed and approved for publication by a board of leading academics from Oxford University
- **Editorially selected and created** links to online resources from Oxford, and other online content
- **Easy to use** navigation supports genuine user journeys
- **Logical structure** includes a stable homepage for every handbook with abstracts and key words and full bibliographic information
- **Updated** with new titles three times a year

DID YOU KNOW?

Oxford Handbooks were first published in 2001 by OUP and have come to be seen as an authoritative guide to current critical debates and scholarship in the humanities and social sciences.

A rich and dynamic resource instantly accessible at your desktop ...
